UNIVERSITY
OF THE FRASER VALLEY
BRITISH COLUMBIA, CANADA

Fraser Valley India Education LLP neither offers a diploma or a degree. It is a pathway for students to University of the Fraser Valley's (UFV) Canadian academic programs. Programs are not approved by the AICTE or UGC in India. UFV is an Education Quality Assurance (EQA) designated institution and programs are monitored by Ministry of Advanced Education, the ministry mandated to supervise British Columbian higher education qualifications delivered in British Columbia and other countries worldwide. Therefore, programs are approved Canadian higher education qualifications.

CANADA'S BEST AT YOUR DOORSTEP

Fraser Valley India Education has entered into a partnership with the University of the Fraser Valley (UFV) to offer a pathway to their academic programs at GGD SD College in Chandigarh, India. UFV is nationally recognized in Canada for its commitment to teaching excellence. It offers over 100 undergraduate and graduate programs. Choose to transfer to UFV in Canada after one, two, or three years in India.

Learn by doing in a project-based environment that is fun, interactive, practical, and relevant to your future. Your Canadian program is recognized around the world and positions you launch a successful career in India or make your transition to the west as easy as possible.

WELCOME TO CANADA

FRASER VALLEY, BRITISH COLUMBIA

Live in one of the most beautiful places on earth. From cascading mountains to pristine lakes, the Fraser Valley is a treasure waiting for you to discover.

Your new home-away-from-home is located just east of Vancouver, British Columbia, and just five minutes north of the USA border. With its mild weather, thriving cities, and breathtaking scenery, it provides exceptional quality of life. It is the perfect place to live and study.

The Fraser Valley is growing quickly and is one of Canada's most ethnically diverse regions. The South Asian community represents about 25% of Abbotsford's population (2016 census).

Like many cities throughout Canada, it is a safe and friendly place for international students to live and study. Studying at UFV provides a great opportunity to explore Canada's world-famous wilderness and the vibrant, multicultural city of Vancouver.

Even during the winter months, the Fraser Valley remains green, averaging 12 days of snowfall a year. You can enjoy nature year-round, choosing from a range of fun activities including hiking, swimming, biking, rafting, golfing, fishing, and snowboarding.

UFV CAMPUSES

STUDY IN WORLD-CLASS FACILITIES

Transfer to Canada and enjoy modern and well-equipped facilities at UFV campuses and locations across the Fraser Valley. The UFV Abbotsford campus, featured at right, is a 50-minute drive from downtown Vancouver and easily accessible by public transit. UFV operates five beautiful campuses and locations in Abbotsford, Chilliwack, Mission, Hope, and pathway programs in Chandigarh, India.

UFV CANADA & GGD SD COLLEGE, CHANDIGARH

In 2006, the University of the Fraser Valley, Canada signed an agreement with Panjab University and GGD SD College in Chandigarh to launch its Canadian academic programs in India.

Canada and India have a long-lasting bilateral relationship built upon shared traditions of democracy and an Indian diaspora of more than one million in Canada. Canada has been an aspirational place to study, work, and live for the Indian community for decades.

For over 14 years, Ufv Canada has been offering its Canadian applied programs at SD College, Chandigarh with world-class infrastructure.

CHANDIGARH, INDIA

Study and live in India's first planned city. Discover incredible works of art in Chandigarh's famous Rock Garden, walk the promenade at Sukhna Lake, or simply enjoy a fragrant stroll in the Rose Garden. Chandigarh is a rare epitome of modernization co-existing with preserved natural spaces. As you walk down the street, you notice that the trees and plants are as much a part of the city design as the buildings and roads.

"The City Beautiful" is a rich, prosperous, clean, and green city. When French architect Le Corbusier was commissioned to design the city in 1950, he conceived a people-orientated urban hub of sweeping boulevards, lakes, gardens, and grand civic buildings. Now, nearly 70 years later, these beautiful landmarks are in wonderful condition and yours to enjoy.

PRE-SEMESTER PREPARATION

GET READY FOR YOUR FIRST SEMESTER WITH ACADEMIC FOUNDATION PROGRAM

Student success is the cornerstone of Fraser Valley India's existence. AFP is your first step towards excelling in the classroom and beyond.

Develop the critical skills required for success in an applied academic environment. Before you begin your studies, faculty from Canada provide a face-to-face orientation on applied pedagogy, classroom etiquette, professional student attributes, and other foundational skills.

Academic Foundation Program (AFP) is a pre-semester class where you:

- Develop strong interpersonal skills
- Enhance your communications skills
- Learn team building strategies
- Hone your writing skills
- Practice creative learning
- Strengthen your leadership skills
- Reinforce your time management skills

By the end of AFP, you are oriented to a North American educational method before you begin your pathway program.

ADAPT TO AN APPLIED CURRICULUM

Integrate into UFV's culture of intense learning and ideation. Your courses are delivered in a Canadian framework with a focus on skill development, real-life application, and live projects.

LEARN CANADIAN CULTURAL PRACTICES

Develop your understanding of Canadian customs and practices. No matter your background, you are exposed to various cultural nuances that help you succeed once you transfer to Canada.

IMPROVE YOUR COMMUNICATION SKILLS

Through AFP's holistic approach, you are prepared to interact effectively in business and social environments.

BECOME ORIENTED TO YOUR NEW CAMPUS

Experience a true Canadian welcome and get a complete campus orientation. You learn about the full gamut of resources available to you as a UFV student and how to most effectively use them.

COMPUTER INFORMATION SYSTEMS PATHWAY PROGRAM

For above average wages and worldwide job opportunities in a high demand sector, look no further than a career in information technology (IT). A UFV Bachelor of Computer Information Systems (BCIS) can help you gain the analytical, problem-solving, and technical skills required to become part of the global IT workforce or an IT entrepreneur.

In your first two years, you get introduced to network and database administration, web design, information systems management, network security, and programming. You also gain the business and communications skills essential for success in the workplace.

Specialize your UFV degree with a concentration in:

- Security
- Software Development
- Systems and Networking

Your UFV degree stays ahead of rapid change in the IT sector. The UFV CIS department meets twice a year with an external advisory committee (comprised of private and public sector experts) to track, predict, and adapt the program to the most current industry practices and standards.
